## **MB105 Historical and Modern Commemorative Art Medals Tuesday 31 January 2023, 12 noon**

Welcome to our medal auction - a veritable tasting menu of all things medallic, including a few coins. Please use the online facility for advanced searches, there are crossovers everywhere in terms of themes and formats. All bidding will be done online with the usual closing time from 12 noon. You will need to register to bid and give yourself a user name (this is masked with first and last characters only shown). While you need to provide a debit or credit card to register, when you purchase from us you will have other options for payment. From the 'My Account' section you will be able to see what bids you're winning or losing, and can view your 'watch' list too. Please be sure to add our email address to your contacts (otherwise alerts from us may not reach you or end up in your junk folder).

\*\*\* If you do not have access to the internet, we can bid on your behalf as long as we receive instructions early, so you won't lose out with the new system. However, it is much, much better all round if you bid online because we can't update your bids at the last minute. Also with postal strikes at present the mail really isn't reliable for time-based auctions.

Increments: Bids increase in the following way:

£1-£20 £1 increments

£20-£40 £2 increments

£40-£100 £5 increments

£100 onwards £10 increments.

The auction uses proxy bidding so that you only see the current winning bid, not someone's maximum bid (think eBay). There won't be tied bids in the future - if someone else has bid your maximum before you, they win unless we have your instruction to increase your bid by a set number of increments e.g. 1 or 2 bids. There's no third party sniping facility but of course you can bid online up to (almost) the closing time online. Be aware though that once the auction has started calculating winning bids from 12 noon onwards you may not be able to place last minute bids. You will get an alert by email for lots won; at that point go to 'My Account' and checkout 'bids won'. That then creates an order and gives you options to pay. Please note that there may be extra postage charged afterwards for heavy items such as books or large cast medal - it depends on the destination, choice of carrier and just how heavy the items are.

**THERE IS NO BUYER'S PREMIUM** As we've not resolved the issues with the automatic generation of invoices from the website adding the premium, we've decided to do away with it and sacrifice some profit for the sake of sanity. The price online is the reserve if no bids registered. We reckon this is roughly half estimated price

All best wishes from us both - stay safe and well!

Howard and Frances Simmons, Simmons Gallery Ltd

### **Terms & Conditions of Sale**

**General terms:** All items are guaranteed genuine as described. Prices realised are sent after the sale to bidders and available for download from [simmonsgallery.co.uk](http://simmonsgallery.co.uk) There is NO BUYER'S PREMIUM.

**Postal /online auction:** Closing date for bids is Thursday 27 January 2021 at 12 noon BST. You need to register before you can bid online - your user name will be masked showing only the first and last letter or digit. We will continue to accept postal and telephone bids for customers without access to the internet - non internet bids must be received by Monday 24 January latest, but please bid online if you can. (thank you!) The post is still unreliable so bid early if offline.

**All telephone bids** must be confirmed in writing. We bear no responsibility for bids not being received, nor for the late arrival of any bids. The first price in the catalogue is the reserve as well as the starting price (same online); bids will be refused below this. The second price in the printed catalogue is an estimate but you may need to bid higher to secure a lot. Offline bids should also let us know if you wish to increase your bid by 1 or 2 increments to obtain a lot.

**Postage** is added to orders at cost + VAT at standard rate. On books and heavy medals, there may be a supplement for postage above the that on the automatically generated invoice. Goods sent by tracked insured mail wherever possible.

**Payment:** Payment is due on receipt of our invoice, goods are sent out when we receive payment. We accept cash, sterling cheques and bank transfers. Payments from abroad should be in GB pounds sterling drawn on a UK bank. We accept Credit cards (Visa, MasterCard), UK debit cards and others via Stripe, as well as PayPal. If you wish to pay by card please put your card details on the bid-sheet (card number, expiry date, last 3 numbers on signature strip) and name and address as written on your card and statements and sign your bid sheet before posting to us. Successful bids can then be sent out without delay which speeds up transactions to the advantage of all. *Do not send credit card details by email.*

**Photographs:** Look on [simmonsgallery.co.uk](http://simmonsgallery.co.uk) under Auction for illustrations or contact us by email.
