MB106 Tokens, Medals & Books Auction 30 MAY 2023 from 12 noon

A real medley for you in this auction - tokens, medals and some catalogues and books for background information. There is a single collection of the Surrey Collection belonging to John and Val Theobald. Some of the lots are of multiple items - we've resisted doing this in the past. However, we didn't want to break up some complete collections. Also many items are low value and it makes sense to group items together. Lots will be sold with accompanying notes where they exist (see photos) From other properties, we're happy to auction an exceptional offering of Welsh Truck Tickets - to be spent only in the company shop. And there are lots of other interesting stuff to possibly add to your collection.

Do use the key word and category search facility on the internet and read right through the catalogue. There are crossovers between the categories especially on place names and themes; you may miss things otherwise. The last 100 lots are very mixed!

All bidding will be done online with the usual closing time from 12 noon. You will need to register to bid and give yourself a user name. While you need to provide a debit or credit card to register, when you purchase from us you will have other options for payment. From the 'My Account' section you will be able to see what bids you're winning or losing, and can view your 'watch' list too. Please be sure to add our email address to your contacts (otherwise alerts from us may not reach you or end up in your junk folder).

After the auction, we will be at the London Coin Fair on 3 June so packages can be delivered there if you're attending.

Increments: Bids will increase in the following way:

£1-£20 £1 increments

£20-£40 £2 increments

£40-£100 £5 increments

£100 onwards £10 increments.

The auction uses proxy bidding so that you only see the current winning bid, not someone's maximum bid (think eBay). There won't be tied bids in the future - if someone else has bid your maximum before you, they win unless, offline bidders, we have your instruction to increase your bid by a set number of increments e.g. 1 or 2 bids. There's no third party sniping facility but of course you can bid up to (almost) the closing time online. Be aware though that once the auction is calculating winning bids at the end you may not be able to place last minute bids. You will get an alert by email for lots won; at that point go to My Account and checkout 'bids won'. That then creates an order and gives you options to pay. We're not charging a buyer's premium - keeping things simple! Also it may help our overseas buyers if faced with import charges.

The price online is the reserve if no bids registered. We reckon this is roughly half estimated price but loads of these tokens are seriously rare and known from only a few examples. We're grateful for the assistance of certain collectors for their expertise. As ever with us, the majority of tokens in this listing are very modestly priced from the start and you may need to be brave if you really want a certain token. So bid high, and bid early please!

All best wishes from us both, keep safe, and enjoy your hobby

Howard and Frances Simmons

All telephone bids must be confirmed in writing. We bear no responsibility for bids not being received, nor for the late arrival of any bids. The first price in the printed catalogue is the reserve (res) as well as the starting price (same online); bids will be refused below this. The second price in the printed catalogue is an estimate (est) but you may need to bid higher to secure a lot. Offline bids should also let us know if you wish to increase your bid by 1 or 2 increments to obtain a lot.

Postage is added to orders at cost + VAT at standard rate. Goods sent by tracked insured mail wherever possible.

Payment: Payment is due on receipt of our invoice, goods are sent out when we receive payment. Please checkout your order from your online account. We accept cash, sterling cheques and bank transfers. Payments from abroad should be in GB pounds sterling drawn on a UK bank. We accept PayPal, credit cards (Visa, MasterCard) and UK debit cards via Stripe. If you wish to pay by card as an offline bidder please put your card details on the bid-sheet (card number, expiry date, last 3 numbers on signature strip) and name and address as written on your card and statements and sign your bid sheet before posting to us. Successful bids can then be sent out without delay which speeds up transactions to the advantage of all. Do not send credit card details by email.
